

Coursework for M.A./Ed.S. Students in School Psychology

First Year (Master's Level)

During the first year (for full-time students), you complete the following coursework during the fall, spring, and winter or summer session. During the session in which you take your final course, you become eligible to take the comprehensive exam. Passing this exam qualifies you to receive your Master's degree. Part-time students will have an individualized schedule.
